* for finding the right adapter, please refer to the bike manufacturer, or third party providers

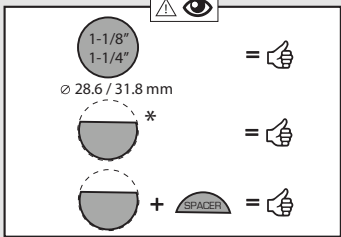

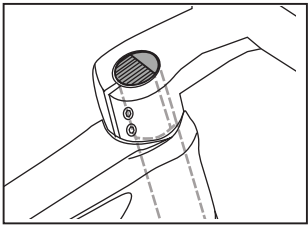

If your bike/model is not listed, please refer to the Vibe EVO compatibility guide
This overview only indicates a possible fit. It does not judge how well it fits.

Using the PRO internal routing headset can improve the fit/alignment.
Some frames have specific headset cover shapes that can be replaced by the PRO internal routing headset, but it will not be a perfect match

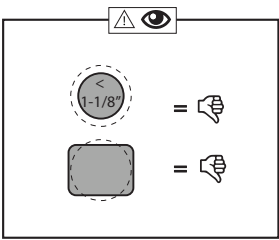

PRO Vibe EVO compatibility guide

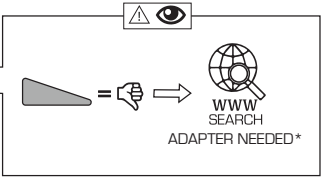

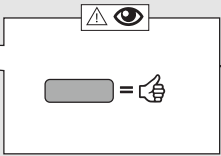

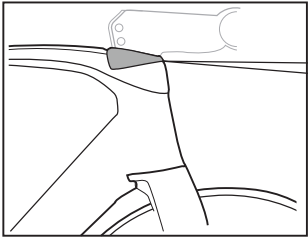

STEP 1 SHAPE STEERER TUBE

*Check compatibility bike manufacturer

STEP 2 HEADSET COVER
